Associate Membership Application

Mission Statement

The Paralyzed Veterans of America Wisconsin Chapter will improve the quality of life of United States Military Veterans and others who have Spinal Cord Dysfunction through the use of Education, Communication, Advocacy, Legislation, Research and Sports and Recreation. PVA has several members and friends volunteering their time in an effort to accomplish this mission. We encourage *Associate Membership* to those individuals interested in aiding our cause. Associate membership has the same rights and privileges as regular membership, except Associate Members do not have voting rights. Eligibility of Associate Membership involves an interest in our goals and objectives, support of our organization, and a commitment to following policies and procedures when representing the chapter. The PVA-WI Board of Directors (BOD) makes all decisions on Associate Membership status.
